Dear Friends in the Lord,

August/September, 2010

We are sorry for the delay in sending out our report which we know should be prompt. We have been caught up with several activities as we plan to come to States. We ask for apology for every inconvenience caused by this delay. Secondly, we have no access to computers where we are until we come to the nearest town in the area.

We, however, want to thank God for taking care of us during this time and for arranging for us to travel to the States in September. We need your prayers and support because it is not easy to leave our very large family under the care of one person nor is it easy to hand over all that we do to people who have no knowledge of what should be done and when. Our work this time is to go from church to church preaching harmony and encouraging each church member to be strong during our departure, a thing which many members would not like to hear. Some members fear torture, so they think that they will be mistreated by the people they left who have not accepted Christ. Some think that their churches will be invaded by nonbelievers. We are constantly forced to make decisions now and again to fit the situation.

We are happy to say that some churches are strong and can take care of themselves while we are gone. We are also happy to say that we will be there to give you the first hand information in person and show you some pictures where necessary.

May God bless you all,

Ben and Emily Okello
